## SUNDAY 26<sup>TH</sup> DECEMBER - NEWSLETTER UPDATE

### WALES AT COVID ALERT LEVEL 2

From next Sunday, until a further announcement of a changed alert level from the First Minister of Wales, you **must book in advance** if you wish to attend Sunday Mass at St. Teilo's. We will again be cordoning off alternate benches to manage the requirement for two-metre distancing.

Bookings for the next few Sundays are now open here - <https://www.eventbrite.co.uk/e/mass-at-st-teilos-church-whitchurch-cardiff-tickets-232120266967>

In addition, you are requested to:

- Continue to wear a face covering when attending Mass
- Keep a two-metre distance from other households/groups within the Church and on entry and exit from Church
- Do a lateral flow test before seeing others who you do not see regularly (e.g. before Sunday Mass) and only attend Mass if the result is negative
- If you have symptoms or suspect you have symptoms, please attend Mass online rather than take the risk of infecting others by attending in person.
- If you have a positive lateral flow test or symptoms of Covid, please do not attend Mass until you have a negative result of a Polymerase Chain Reaction (PCR) test from the NHS or have quarantined for 10 days (note the period is different in Wales than in England) after a positive test.

During the alert level 2 period the parish welcomers will take on their former role of stewarding. Please wait before entering the Church so that you can be directed to your allocated sheet. Please do not go forward for Holy Communion until you are directed to do so.

#### Weekday Masses

We will record attendance at Weekday Masses during the period of alert level 2, but otherwise the approach at weekday Mass will remain as previously.
